

EcoLux Air Dispenser

Our newest dispenser has a seamless appearance with sleek lines and concealed brackets. The hidden locking mechanism inconspicuously provides theft and tamper resistance while keeping the focus on the elegant bottles and salon-quality products. Brackets are mounted using drill-free adhesive for quick, damage-free installation. When it is time to change the long lasting bottles, a quick press of the key releases the empty dispenser. Then simply slide down a fresh bottle to lock in place. The effortless process significantly reduces housekeeping time for overall cost savings.
