Features & Benefits Warranty: 3 Yrs.

- Designed using Mineral Polymer Composite (MPC), a high-grade polymer formula with a dramatic wood-like finish.
- No assembly required to dramatically reduce setup time and costs.
- Stackable for optimal storage during the offseason.
- Perfect balance of weight (22 lbs/10 kgs) to resist strong winds but maintain ease of handling.
- Exceptional lumbar support.
- Seat 3" higher and wider than the average adirondack to maximize comfort -- sit down and stand up effortlessly.
- ASTM tested to hold up to 400 lbs in weight for superior strength and durability.
- Proudly made in the USA.
